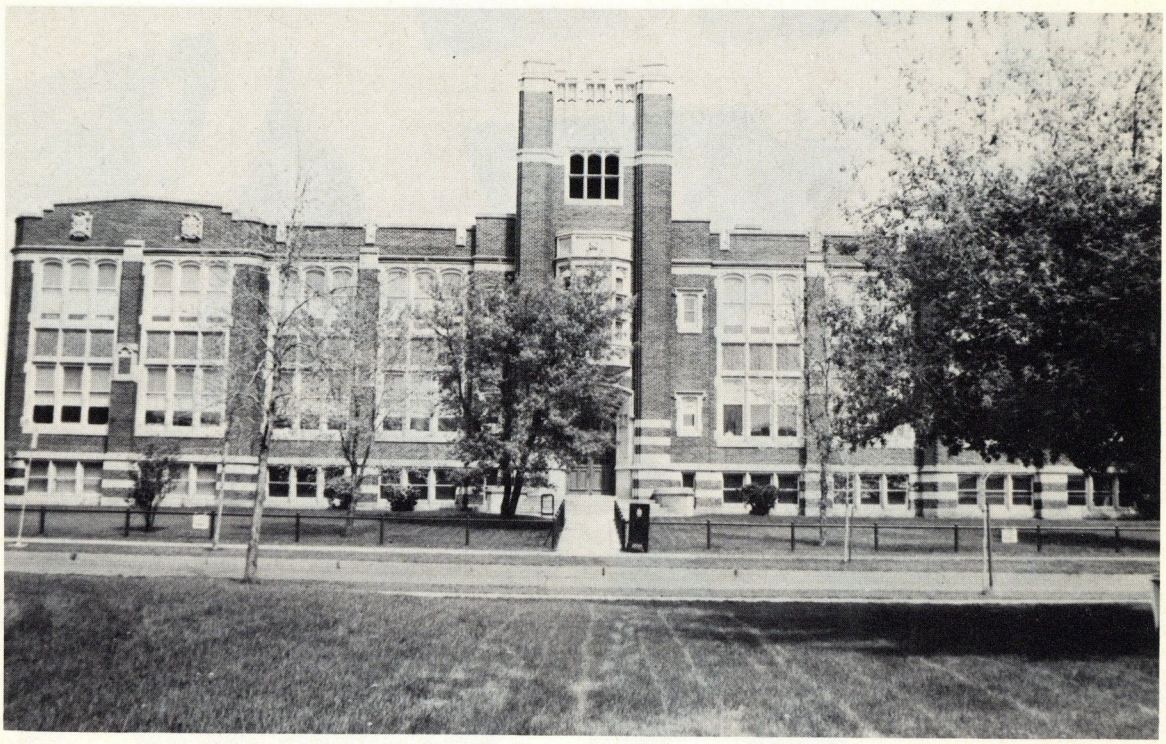
1968-69

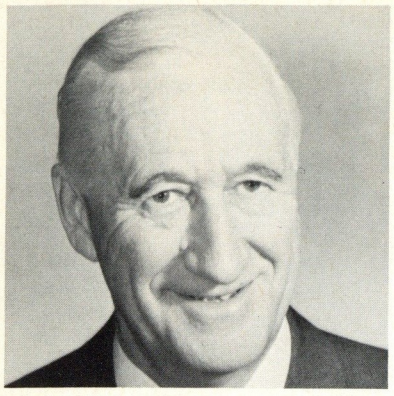
Highlands Junior High School

2014.17.2

Highlands



Junior High



PRINCIPAL'S MESSAGE

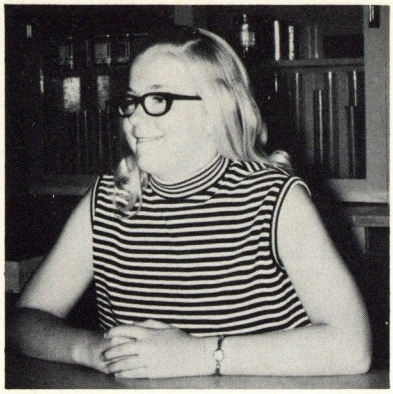
This edition of the Highlands Year Book marks the conclusion of the 1968-69 school year. Its record of academic and extra-curricular activities, its photographs and group pictures, will be examined many times in the years ahead, bringing back memories of Highlands School.

Throughout this school year many fine friendships were developed and many old friendships renewed. Progress was made academically-how much progress, each can assess for himself. As principal of the school, I would rate 1968-69 a successful year.

When we return in the Fall, there will be changes in student body and in teaching staff. The majority of our students will return but many will attend other schools. Among the latter will be our grade 9 students who will graduate to Senior High School to continue their education at that level. The teaching staff will also have changes-some will teach elsewhere and others will return to University to further their educational training. We extend best wishes to all those leaving us in the Fall.

On behalf of the school, I wish to extend to Mr. Ketskemety and his Editorial Staff our appreciation for a job well done in publishing our Year Book. In the years ahead, as we turn its pages, may our memories of Highlands School be pleasant ones.

F. G. Botsford,
Principal



EDITOR'S MESSAGE

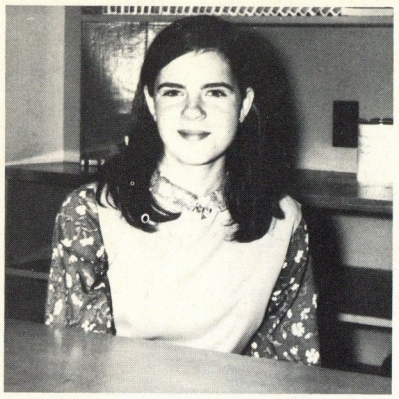
I was very pleased and honoured to have been chosen as the editor of your 1969 YEARBOOK. Being editor involves a great deal of work, but more important, it enables you to get to know others, make many new friends, and have lots of fun.

1969 was a memorable year for Highlands; our school has improved a great deal. Your 1969 YEARBOOK is the first of its kind in Highlands' history. The school spirit has picked up one hundred percent from last year, thanks to a great Student's Council. Departmentals have been exempted in some city schools and Highlands is one of them. This is a giant step to total exemption of all year end examinations for Grade Nines. Another improvement that will live with our school forever, is having a new wing added to our library.

I would like to take this opportunity to express my sincere gratitude and appreciation to Mr. Ketskemety, Miss Beeston, and to the entire YEARBOOK Staff. The YEARBOOK owes its success to the patience and help of everyone involved.

Pattie Dodds

Pattie Dodds,
Editor



PRESIDENT'S MESSAGE

I am pleased and honored to have served you as president this past year.

I feel the school spirit has improved tremendously, and everyone has helped to make it a very successful year. We have had more turn-outs at our dances and less wallflowers this year.

I would like to take the time now to thank our advisor, Mr. Campsell, and the executive, for their full support, which helped in making this a successful year. I would also like to give special thanks to Mr. Armstrong for his help and encouragement.

I would like to leave you a little advice now for next year. First of all, support your Student's Union in everyway you can. Next, speak your wishes to the executive itself. Thirdly, don't wait till the last minute to get things done. Last, but not least, enjoy yourself.

I wish you the very best of luck in the forthcoming year.

Susan Rock

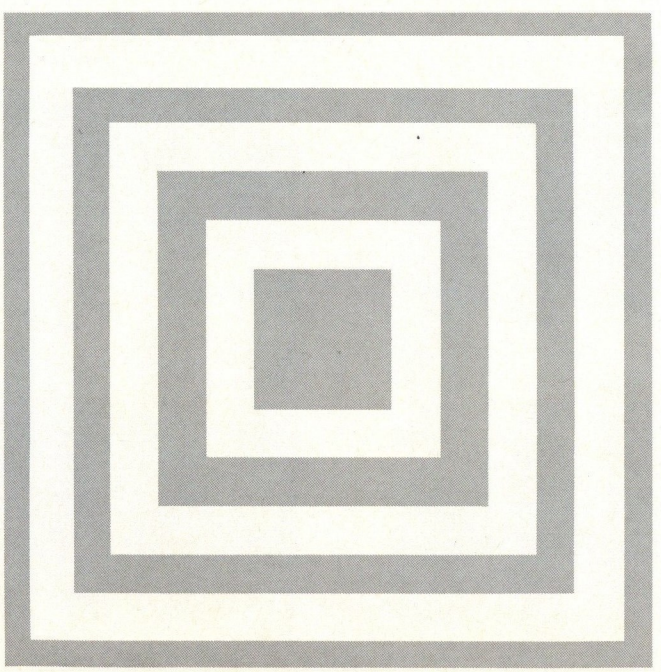
ACTIVITIES



GIRLS SPORTS

In 1969, the Highlands' girls had a very active year. Our sports' teams have started from scratch and owe their success to Mrs. McGrath.

The volleyball season went from October to late December. Both junior and senior teams did well, although not coming out on top.

During the basketball season, which started in January, the Junior team managed to beat the Lawton girls only to be defeated twelve-to-eleven by the Newton community. The senior team did well, losing only to Lawton, which placed Highlands second in the zone. Near the close of the Basketball Season, the senior girls played against the female members of the staff. The girls were sadly defeated thirty-eight--to--twenty, by a strong team consisted of Horrible Hodgetts, Super Sollid, Dangerous Dagil, Bouncy Beeston, Mighty McGrath, Vivacious Vesalainen, and "Denise" Johnston.

During the month of May, the girls' track team of sixty-seven, practised hard for the local track meet. After winning the local track meet, the twenty-three girls who were placed first and second, went to the zone meet at Coronation Park where they won again for Highlands. Fifteen girls went to the city finals.

This sports' year had been lots of fun and everyone has shown true sportsmanships.

BOYS SPORTS

The boy's sports season this year was led by Mr. Johnston. Coaching everything from soccer in the fall to baseball and track in the spring, Mr. Johnston spent a great deal of time in the morning before school, during noon, and after school.

Soccer started off the season with the boys winning league and zone finals. The battle for city championship was fought at Kinsmen Park against Britannia. A tie of zero-zero meant another game and unfortunately, Highlands was defeated three-to-zero.

Volleyball followed with less success. Eight wins and eight losses placed Highlands third in the zone.

Basketball followed and the boys managed to win the zone game. The quarter finals against Ottewell at Victoria Composite High School ended with Ottewell winning fifty-five--to--twenty-six.

Highlands entered a wrestling team this year. Don Liber captured third in the ninety-six pound class, his brother, Ken secured fifth in the one hundred five pound class, and Karl Lelgurt came in fourth in the one hundred sixty-three pound class.

In the Local Track Meet, Highlands defeated Lawton by a wide margin, and in the zone finals, also took first place.

The baseball team clobbered Eastwood and is now Zone Champion.

Highlands has experienced a great year in boy's sports. The credit goes to Mr. Johnston and a fine group of athletes.

ACTIVITIES

Although we have long awaited the end of the school year, it is hard to believe that June is already here. It was a good year that was filled with a variety of activities.

Christmas activities included a Door Decorating Contest, won by Room 15 and a dance in the gym, at which the Royal Blue gave a great performance.

A Valentine's Dance was held in February and all those who attended were required to wear something red.

Muk-Luk Day was a big success, mainly due to the efforts of Mrs. McGrath and Mr. Johnston. Student participation was also one hundred percent, resulting in an enjoyable afternoon.

The grad picnic was held on May 29 at Borden Park. There was swimming and games after a hearty meal of hot dogs and marshmallows.

The year had many highlights, such as orchestra concerts, a fashion show, student lits, sports activities, and drama presentations. Everyone who participated helped to make it a better year.

This year has seen many changes and new ideas. It has been an active and enjoyable year.
